Organizational chart and processes

Student Feedback on Institutional Governance/ Faculty performance

The students are accommodated 60 in a class and one faculty is appointed as a counselor/faculty advisor to look into their grievances, family problems, personal problems and so on. Each class has a class committee comprising of the faculty members and the students' representatives. The class committee meets and discusses the academic-related issues at the end of every month.

The performance of the faculty is regularly assessed through students' feedback and self-appraisal. Necessary corrective measures will be taken to improve the teaching-learning process. The faculty members will encourage, counsel the students after class hours by internal meetings, discussions, and provide guidance to the students to improve their academic performance
