**The following points were discussed:**

- Initially, IQAC Coordinator had briefed about the previous minutes. All IQAC members discussed about the MOM.
- It was proposed to present the AQAR for the academic year 2020-2021 to Governing Council meeting. Thereby, HoDs and overall criterion coordinator should monitor and ensure the timely preparation and submission.
- The IQAC coordinator has initiated the process to carry out AAA (Academic and Administrative Audit). A format was prepared and presented by the coordinator to the committee. A detailed schedule to conduct AAA was discussed and dates finalised.
- IQAC members finalized the tentative dates of second internal ISO audit & AAA
- Faculty members should analyze and discuss test results with their HoD. Immediate action should be taken for the low performers by conducting online coaching class. Mentors are asked to get interaction with students.
- Committee members are suggested that all faculty members to identify the last three-year question bank and distribute to arrear students.
- Committee members suggested that the department placement coordinator should collect resume from students and get correction from English or MBA department. Intensive training should be given to the placement eligible students in the areas like verbal, aptitude, technical skills through online mode.
- IQAC coordinator suggests that faculty members should implement activity based teaching method like Quiz, showing demo model, cut section model, etc for their courses in order to effective learning to students. The coordinator briefed the need of organizing more quality enhancement workshops for faculty members and non-teaching staff members.
- The feedback of first internal ISO audit report was discussed. The report showed that all faculty members were prepared the lesson plan as per the the course outcome and program outcome prescribed in the Anna University syllabus. The attainment of both outcomes was reported to the respective department heads.

## WOMEN'S GRIEVANCE REDRESSAL CELL

### The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013

In exercise of the powers conferred by section 29 of the sexual Harassment of Women (Prevention, Prohibition and Redressal) Act 2013(14 of 2013), the Central Government hereby makes the rules.

Following these rules Women's GRC made this structure given below:

#### Structure:

- A committee of senior members would be constituted by the management to consider and redress Complaints of Sexual Harassment. This Committee will be known as "**Internal Complaints Committee**" (ICC).

#### 1. Objective of the Women's Grievance Redressal Cell

- The Cell will deal with the cases / complaints of sexual harassment and any other type of harassment of the female students, teaching and non-teaching women staff of the college.
- The Cell shall process all the individual complaints and take immediate suitable action.
- The Cell will provide assistance to the Faculty/Colleges for taking preventive steps in the matter of gender discrimination and sexual harassment.
- The Principal will be the Chairman of the Cell and may appoint members of the cell.
- The Cell may form / review the guidelines / policy for redressal of the grievance as required from time to time, which may be in accordance with those issued by Supreme Court and Government Agencies.

#### 2. Grievance Procedure

- Any women employee or female student will have the right to lodge a complaint concerning sexual harassment against a male student or the employee of the institute by writing a letter or putting the complaint in the Principal's office.
- The complaint will be afforded full confidentiality at this stage.
- After receiving the complaint, the chairman shall convene the meeting of the cell.

*S. Gopa*  
PRINCIPAL  
BUILDERS ENGINEERING COLLEGE  
Kangayam-638 108, TN, India.

- The chairman will appoint investigation committee, Coordinator will convene the meetings.
- The investigation committee shall then decide the course of action to proceed.
- The complaint will stand dropped if in accordance to the committee the complaint has not been able to disclose prima-facie an offence of sexual harassment by complainer /her representative.
- In case the investigation committee decides to proceed with the complaint, the wishes of the complainer shall be ascertained and if the complainer wishes that a warning will suffice then alleged offender shall be called to the meeting of the committee, heard and if satisfied that a warning is just and proper, he will be warned about his behaviour and non-occurrence of it. In case the complainer requests that the complaint should be proceeded with beyond mere a warning, the same may be proceeded with in the manner prescribed hereafter.

### 3. Procedure for investigation

- If the complainer wishes to proceed beyond a mere a warning to the accused, the accused shall be given in writing by the investigation committee an opportunity to explain within one week why he should not be, for good and sufficient reasons, be punished for the act of sexual harassment on his part.
- If the written explanation of the accused is not found to be satisfactory or if he does not provide any written explanation, the investigation committee will decide whether the offence deserves a minor penalty or a major penalty.
- In the event that the investigation committee deciding that the accused be imposed a minor penalty, the said penalty will be recommended by the investigation committee to the chairman of the cell for decision.
- If the investigation committee comes to a conclusion that the accused in case if his guilt proved, should be imposed a major penalty, it shall make a recommendation of action. the accused is an employee, he may be placed under suspension under the provisions of act.
- If a person is charged with physical molestation or rape on college / society's premises, he shall be immediately placed under suspension pending the completion of the investigation and enquiry. Appropriate actions can be initiated as per the laws of Indian penal code.

### 4. Punishment for sexual harassment

- Any member of the institute fraternity (student/employee/outsider related to institute) found guilty of sexual harassment shall be liable to be punished. This shall be subject to the same penalties for major or minor misconduct as prescribed under government/ university rules.
- A student guilty of sexual harassment shall be liable for any of the following penalties:

Awareness Programme on "Breast Feeding".

### Program Report

Women development cell has conducted an awareness programme on breast feeding for II<sup>nd</sup> & III<sup>rd</sup> UG and PG girl students and female faculty members of our institution at DC hall on 04.08.2016 at 3.10pm.

The speaker explained about Breast Milk and its importance. He also gave details about benefits of breastfeeding for baby and mother. Finally Dr. P. Sivaram concluded that breastfeeding reduces the risks of breast and ovarian cancer and may reduce the risk of osteoporosis. Breastfeeding is recommended for the first 12 months of life or longer if the mother and baby want to continue.

At the feedback session, the number of faculty members expressed their views about the programme.

- BEC Staff Community won't be engaged in this assignment on the day of the event. Meanwhile the safeties of our PA system have to be ensured by BEC PA System In-charge before the commencement of the event. Internal/External organizing committee won't be responsible for any loss of our BEC PA System belongings.

### Photos

- BEC Staff Community won't be engaged in this assignment on the day of the event.

### PRO

- PRO of BEC has to do the following tasks.
  1. Engagement News to the News Dailies
  2. Post Programme Coverage (Press Release)
- For accomplishing the above two tasks PRO can collect the programme invitation and images of the event from PD of BEC.

### Accommodation

- External organizing committee has requested for internal/external accommodation support. This request was approved for limited numbers, i.e., 200 Boys are permitted to be accommodated in Kalam Hall and 100 Girls are permitted to be accommodated in Girls Hostel on 29<sup>th</sup> October, 2021 respectively. Rest of the cases, the external committee has to arrange by themselves and it is left to the discretion of the External Committee and PD of BEC to identify and book a hall outside BEC-Premises for stay.
- External committee has put forward a request to extend the accommodation for 20 girl students till 31<sup>st</sup> October evening on BEC Premises. This request was approved the higher officials of BEC.
- Hostel Warden, the Disciplinary Committee and the security guards of BEC should take care of the disciplinary actions of the students who stay at BEC Premises

### Food & Water Arrangements

- The External Organizing Committee has requested BEC to prepare food and serve the same for participants. This request was rejected by our higher officials and instructed the external committee to look for an outsourcing mode for preparing and serving.
- The Cook, The Supporting Staffs of Hostel Mess and The Staff Community of BEC should not be engaged for this assignment.

**Dear All,**

It is our honor and pleasure to invite you all to celebrate **October 15, 2019** as Innovation Day - the birth anniversary of visionary and well acclaimed proponent of Innovative India, former President, Dr. Avul Pakir Jainulabdeen (A.P.J) Abdul Kalam **in DC Hall @ 10.00 am.**

As an aspiring society our role should be to recognize, facilitate and felicitate the innovations and best practices around us especially in our Institution.

I appeal and invite all our students and faculties to celebrate Innovation Day. Together we can achieve and strengthen the vision of Dr. Kalam for better and Innovative India.

I take this opportunity to encourage all our students to participate in the following events

• **Slogan**

• **Debate** (Does technology provide for a better life or is it a bane?)

• **Essay Writing & Oratorical competition**

(1. What will technological schools look like in the future?

2. Robots and other programmed machines: how will they influence the life on Earth?

3. Revolutionary technologies and famous inventions.

4. Alternative energy sources

5. Technologies in modern architecture)

• **Drawing competition** ( Innovation & Creativity of India 2030)

• **Short film** (India - 2030)

• **Project Display**

• **Solo & Group song Competition** (National Integration, Freedom of India, Creativity of your own song about India and Dr.A.P.J Abdul kalam)

Hence I request the faculty advisors to circulate this to our students and give the list of students who are all going to participate in this Innovation Day event to Mr.G.Mahendran, HoD/EEE on or before 14.10.2019, 11.00 am.
